WELCOME MESSAGE, ORGANISING & SCIENTIFIC COMMITTEE

WELCOME MESSAGE

The Singapore General Hospital and KK Women's and Children's Hospital in conjunction with the Singapore Sleep Society are pleased to invite you to the Singapore Sleep Symposium 2008. This consists of the Sleep Medicine Update and the Snoring and Sleep Apnoea Surgery Course. Mark your calendars from 1 - 2 November for the Sleep Medicine Update or 1 - 3 November for the Snoring and Sleep Apnoea Surgery Course.

It will be an exciting and comprehensive program designed to provide you with a concise update on the latest developments in sleep medicine. There will be didactic lectures as well as interactive workshops designed to allow participants hands-on practical experience in polysomnography as well as continuous positive airway pressure. The Snoring and Sleep Apnoea Surgery Course also includes lectures on surgical techniques and sessions on cadaveric dissection. We have a distinguished faculty lined up which includes both local and eminent overseas speakers.

We would like to take this opportunity to thank our distinguished faculty and the organizing committee for all their time and invaluable contributions. We would also like to thank all sponsors for their generous contributions. We have no doubt that this will be an exciting, memorable and fruitful meeting for all.
